

HENHAM VILLAGE HALL HEALTH AND SAFETY POLICY

Part 1 - General Statement of Policy

This document is the Health and Safety Policy of Henham Village Hall. Our policy is to:

- a) Provide healthy and safe working conditions, equipment and systems of work for Management Committee members, hirers, users and other visitors.
- b) Keep the village hall and equipment in a safe condition for all users.
- c) Provide such advice and information as is necessary for Management Committee members, hirers, users and other visitors.

It is the intention of Henham Village Hall Management Committee to comply with all relevant Health and Safety legislation and to act positively where it can reasonably do so to prevent injury, ill health or any danger arising from its activities and operations.

Henham Village Hall Management Committee considers the promotion of the health and safety of those who use its premises, including contractors who may work there, to be of great importance. The Management Committee recognises that the effective prevention of accidents depends as much on a committed attitude of mind to safety as on the operation and maintenance of equipment and safe systems of work.

To this end, the Committee will encourage its members, hirers, users and other visitors to engage in the establishment and observance of safe working and other practices.

Hirers, users and other visitors will be expected to recognise that there is a duty on them to comply with the practices set out by the Committee, with all safety requirements set out in the Hiring Agreement and with safety notices on the premises and to accept responsibility to do everything they can to prevent injury to themselves or others.

Part 4. Safeguarding Policy

This document was drawn up and agreed by the Village Hall Committee on 3rd August 2022.

1. Purpose

Safeguarding and promoting the welfare of children and adults at risk from abuse or neglect.

This policy defines how Henham Village Hall operates to safeguard children, young people, and adults at risk of abuse or neglect.

We have a duty of care and are committed to the protection and safety of everyone who enters our premises including children, young people and adults at risk involved as visitors and/or as participants in all activities and events. We also have a duty to safeguard and support our trustees, volunteers, and staff.

2. Definitions

Children and young people are defined as those persons aged under 18 years old. This policy will apply to all staff, contractors and volunteers and will be used to support their work.

Safeguarding and promoting the welfare of children is defined as:

- protecting children from maltreatment
- preventing impairment of children's health and development
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- taking action to enable all children to have the best outcomes.

Adults at risk of abuse or neglect

For the purposes of this policy, adult at risk refers to someone over 18 years old who, according to Section 42 of the Care Act 2014:

- has care and support needs
- is experiencing, or is at risk of, abuse or neglect
- as a result of their care and support needs, is unable to protect themselves against abuse or neglect or the risk of it.
-

If someone has care and support needs but is not currently receiving care or support from a health or care service, they may still be an adult at risk.

Persons affected

- All trustees, volunteers, and staff.
- All those attending any activity or service that is being delivered from the village hall charity property.

3. Policy principles

There can be no excuses for not taking all reasonable action to protect children and adults at risk from abuse or neglect. All citizens of the United Kingdom have their rights enshrined within the Human Rights Act 1998. People who are eligible to receive health and community care services may be additionally vulnerable to the violation of these rights by reason of disability, impairment, age, or illness. Henham Village Hall charity has a zero-tolerance approach to abuse.

Henham Village Hall charity recognises that under the Care Act 2014, it has a duty for the care and protection of adults who are at risk of abuse. It also recognises its responsibilities for the safety and care of children under the Children Act 1989 and 2004.

Henham Village Hall charity is committed to promoting wellbeing, harm prevention and to responding effectively if concerns are raised.

Henham Village Hall charity is aware of the work of their local safeguarding Board/Partnership and other support organisations on the development and implementation of procedures for the protection of children and adults at risk. The policy is about stopping abuse where it is happening and preventing abuse where there is a risk that it may occur.

Henham Village Hall Committee is committed to the following principles:

- The welfare of the child, young person or adult at risk is paramount.
- All children, young people and adults at risk have the right to protection from abuse.
- Safeguarding is everyone's responsibility: for services to be effective each professional and organisation should play their full part; and
- All suspicions and allegations of abuse must be properly reported to the relevant internal and external authorities and dealt with swiftly and appropriately.

4. Procedures
